ZEP SHELL SHOCK

Heavy-Duty Soy-Based Hand Cleaner with Abrasive Walnut Shells

DESCRIPTION

Zep Green Link Shell Shock is a premium industrial strength hand cleaner formulated with soy ingredients and walnut shell abrasive.

FEATURES

- Renewable Natural Resource
- Powerful Cleaning Action
- Walnut Shell Abrasive
- Completely Biodegradable
- Easy on Hands

BENEFITS

- Utilizing soy-based solvent, a renewable resource, helps to conserve non-renewable resources such as petroleum.
- Removes stubborn soils such as grease, tar, resins, paints, adhesives, carbon, asphalt and inks.
- Natural walnut shell abrasive aids the soy solvent in helping to scrub away grease and grime.
- Free of petroleum solvents and fortified with natural solvents; not harmful to the environment.
- Enriched with skin softening ingredients keeps the hands from drying and leaves the hands soft.

APPLICATIONS

All industrial settings, such as:

manufacturing plants, automotive facilities, print shops, warehouses or wherever hands get dirty. Removes all types of stubborn industrial soils: inks adhesives, grease, tar, carbon and asphalt.
